

River Plantation Homeowners Association Meeting Meeting Minutes 30 Jan 01

A General Meeting was held at the Woodstock Library at 7:00 PM. The following items were discussed:

Neighborhood Appearance: We will request CCM to send out a reminder letter regarding storage of Trash Cans and neighborhood appearance. CCM will also address problem of Dogs barking at night.

Landscape Contractor: Daniel Gill will be submitting a bid to assume the Landscape contract for the association. This will be filled with the other bids from area contractors.

Community Improvements: It has been suggested the common areas be improved. The two main suggestions are a better playground and a deck near the swimming pool. We will review these ideas at the next full meeting in February.

Colony Homes: Wayne Wise pursue Colony Homes for a status of road and curb repair within the subdivision.

Swimming Pool: We now have a new contract for pool maintenance and will be installing a pool cover for the winter months.
